13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration if the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with the BLM/BIA. Required subsequent reports must be filed within 30 following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed c testing has been completed. Final Abandonment Notice must be filed only after all requirements, including reclamantion, have been completed, and the operator h determined that the site is ready for final inspection.)

Enervest Operating, LLC respectfully submits this sundry for record of downhole comingling.

This well was drilled in 1985 and completed in the Mesa Verde/Dakota formations. These formations were produced by downhole comingling the Blanco Mesa Verde (72319) and the Lindrith West-Gallup Dakota (39189) Pools.

Enervest acquired this well in 2005 and continues production through the downhole comingling of these pools.
