Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Elm Ridge Exploration Co LLC would like to request permission to shut this well in for a period of 12 months. This well is currently uneconomical to produce. It is capable of production. If shut in status should go longer than 12 months, we plan to sit with the Jicarilla Oil and Gas Administration and discuss further action for this well.
