Re: Plugging and Abandonment
Maddox GC C#1 Well
Township 29 North, Range 10 West, NMPM
Section 27: SW/4
San Juan County, New Mexico

Dear Ms. Kenner:

XTO Energy Inc. is preparing to plug and abandoned the referenced well.

This letter will serve to notify you of the impending operations.

I will contact you in person in the very near future to let you know a more final date of the work to be done.

Thank you for your patience and consideration in this matter.

It is the intent of this letter to inform any necessary party of your intent to bring the subject site back to agricultural endeavors. This will allow the marker to be placed below grade at approximately 6 feet, which will be below plow depth for your field.

Sincerely,

Paul Mehrman
Sr. Staff Surface Landman

Agreed to this 10th day of April, 2017.

Mynette Kenner
