13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Koch Exploration Company, LLC has assigned all of its right, title and interest in the well described above to Mustang Energy Resources, LLC and will relinquish and transfer operatorship of this well to Mustang Resources, LLC on June 1, 2018.

As of June 1, 2018, Mustang Resources, LLC will be considered to be the operator of this well and will be responsible under the terms and conditions of the applicable lease for the operations conducted upon the leased lands. Bond coverage is provided under Mustang Resources, LLC's BLM Bond No. NMB001591.
