13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Hilcorp Energy requests SI status for the subject well with last production being 11/01/2017 and last produced 4 mcf/d. A production verification test will be conducted 12 months from NOI approval and submitted for SI status to continue. Hilcorp Energy has a long term shut-in compliance agreement with the NMCOD (ACOI No. 2017-003A) dated 8/14/2018.
