Good morning BLM and OCD,

Enduring Resources requests to withdraw the flare extension that was filed on 5/30/19 for the W Lybrook Unit 735H in regards to the Kimbeto Wash Unit 771H pad frac.  
Due to the recent Dine Care law suit decision, Enduring has chosen to postpone our frac and will hold off on the flare until BLM reissues the NEPA approval.  
I have attached the flare extension that was submitted for your review.

Thank you and please let me know if you have any questions.
