13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Yates Petroleum Corporation requests permission to perform the following operation on the above mentioned well:

The expiration date for this lease is on July 1st. Location construction will be complete on June 30th. Ludwick Drilling will move a rig in on Tuesday, July 1st, and drill the surface hole. Drilling operations will continue until after midnight and surface casing is set. The rig will then move off to fulfill commitments to other clients and will move back in to drill the remainder of the well before August 1st, 2003 (within the next 30 days).

Sincerely,

## 14. I hereby certify that the foregoing is true and correct
