13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

M & G Drilling Company, Inc. requests approval to construct a temporary pit for cement returns during a workover on the subject well. The pit dimensions will be approximately 15' x 15' x 10', and will be lined with a 12 mil liner. The pit will be fenced with woven wire and reclaimed when dry.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOC guidelines, a general permit or an (attached) alternative OCD-approved plan.
