The subject well has never been perforated and completed. Casing was cemented and the well has been temporarily abandoned (TA), waiting on pipeline connection and completion. The Jicarilla Apache Nation, through their legal counsel, has determined that this well failed to meet the obligations and earning requirements of Mineral Development Agreement No. 701-98-0013. Consequently, the Jicarilla Apache Nation have deemed that the well and its corresponding 160 acre spacing unit have reverted back to and are now owned by the Jicarilla Apache Nation. Black Hills Gas Resources no longer owns any interest or rights to this well. Therefore, the Jicarilla Apache Nation assumes all responsibility and liability for the well, including plugging and abandonment.

All future correspondence on this well should be directed to:

Jicarilla Oil & Gas Administration, P.O. Box 146, Dulce, NM 87528; Phone No. (505) 759-3485, Fax No. (505) 759-3881.
