OTHER: Request for Workover Pit Registration ☒

OTHER: ☐

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

In conjunction with the approved workover (5-02-2006) to pull tubing, cleanout, acidize Mesaverde, replace tubing and return to production, Four Star Oil & Gas Co. respectfully submits this request to construct and line a Workover Pit to facilitate work flow in the event we encounter a need to conduct remedial casing leak repair requiring cement squeeze operations. This Workover Pit will be constructed according to our general pit guidelines on file at the NMOCD in Aztec, NM.

Four Star O&G has filed, concurrently, a Sundry NOI of this Workover Pit request to the BLM Farmington Field Office (see attached).

Upon completion of the well work, this Workover Pit will be closed as per our guidelines, also on file at NMOCD in Aztec, NM.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☐, a general permit ☐ or an (attached) alternative OCD-approved plan ☐.
