13. Describe Proposed or Completed Operations (Detail): Show all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen dimensionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsurface reports shall be filed within 30 days following completion of the proposed operations. If the operations require a multiple completion or recompletion in a new interval, a Form 3160-2 shall be filed only having been completed. Final Abandonment reports shall be filed only after all requirements, including production, have been completed and the operator has determined that the site is ready for final inspection.
