13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well was not plugged in the original time frame because NAPI has irrigated the well pad and it is impossible to access the location. We will plug this well as soon as the area is clear of irrigaiton and crop activities. This should be in late October.
