13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well is part of a large gathering system that has not yet been completed. Weather and road conditions have shut down this construction for the past two months. Well completion will commence when the system is finished. It is anticipated that the system will be complete by May 1, 2007. A completion report will be filed on this well before December 31, 2007.

4. I hereby certify that the foregoing is true and correct
