13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

In conjunction with the Approved Sundry to Plug & Abandon this well (01/04/2006) along with an Approved Extension to complete this P&A Work (02/20/2007), Four Star Oil & Gas Company respectfully submits for your approval this Sundry request to construct and line a standard Workover Pit to facilitate this P&A work. This Workover Pit will be constructed as per general pit guidelines on file and lined with 12 mil liner.

Approval of this Workover Pit request will facilitate our Plug & Abandonment plans, meet environmental protection needs, and allow us to bring this well into regulatory compliance.

Concurrent filing of this Workover Pit request is being made to the NMOCD Office in Aztec, NM on their Form C-103.
