13. Describe Proposed or Completed Operations

DIST. 3

ConocoPhillips requests to change the well design-

The APD was permitted to set the surface casing @ 120'. This well is on a cliff, and we are requesting to drill the surface casing to 350' to prevent losses drilling out the production string. Cement volumes will be adjusted accordingly.

Verbal approval from Jim Lovato (BLM) rcv'd today to proceed.

14. I hereby certify that the foregoing is true and correct.
