Dear Mr. Arnold.

I'm writing again in regard to the land I have leased on 12-30-12. I leased this land to W.P. Carr & he sub leased it to Southwest production. Now I understand Beta Development has it.

They have a Hallota well on it that has been on production for over two years. & I haven't received a dime for my Mineral rights all this time.

I wrote Mr Carr about it & he agreed with me that the original division

order was in error & I
have 128 acres in that
well instead of 126' which
they said.

Mr Carr wrote them
telling them I have 128
acres & I wrote them & they
haven't done anything.

If they keep trading that
well around I'll never get
my money for the distillate.

If they don't pay me
can I cancel my lease.

Who can I write to in
Savoy for a part this.

They have some of my
money now for over two years
without interest & are
robbing me every day. I
don't see why I should
put up with that.

Who can the Man

I leared to say I have
128 acres & I want to
know if they want to lease
it or not.

very Truly yours
Harry Jones.

I want to check all
my Roathen with your office
as the well has. Shagelbards
& maybe Southwest left no
money for the new owner to
pay me.

Nate Shantage well.
