13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated date of any proposed work and approximate duration thereof
If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and
zones Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA Required subsequent reports shall be filed within
30 days following completion of the involved operations If the operation results in a multiple completion or recompleat in a new interval, A Form 3160-4
shall be filed once testing has been completed Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed
and the operator has determined that the site is ready for final inspection)

Williams Production Company, LLC requests that the previously submitted APD for the Rosa Unit No. 360A be returned (rescinded).

This request is necessary due to a change to the access road and pipeline tie. The Rosa Unit No. 360A APD will be resubmitted.
The resubmitted Rosa Unit No. 360A APD will have a revised Surface Use Plan of Operations, access road and pipeline tie plats,
connecting the Rosa Unit No. 360A to the proposed Rosa Unit No. 400.

The surface managing agency for this well is the US Forest Service, Jicarilla Ranger District.
