☒ Other - Cancel pending APD

13. Describe Proposed or Completed Operations

The subject well's plat was wrong and then we decided to drill the subject well directionally to avoid trying to get NSL approval. Burlington Resources wishes to rescind the APD submitted 5/17/07 since so much of the APD is currently incorrect.

Please return the APD to us and we will re-submit the APD with the correct footages and the directional drill plan.
