It is intended to drill and complete the subject well in the Blanco Pictured Cliff (pool 72359) and the Basin Fruitland Coal (pool 71629). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the well is completed. Commingling will not reduce the value of the production. Bureau of land management has been notified in writing of this application.

Interest is common, no notification is necessary.
