13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Merrion Oil & Gas proposes to construct a lined catch basin approximately 10' x 10' x 1' to catch drainage from well pad and rig ditches due to rainfall. Liquids from the catch basin will be removed and disposed of.

We also propose to construct a lined 50' x 50' x 1' drying pad for cuttings removed from closed loop drilling operation with ditches running to the catch basin.
