A mistake was made when we filed the APD for the subject well. We showed it as a MV standalone and it should have been submitted as a Mesaverde / Dakota commingled well. The TD and the directional plan submitted for this well was for a MV / DK commingle, but the cover of the APD and the plat only showed MV. Please see the attached plat for the Dakota interval. Please add the DK to your records on this well. We will be submitting a DHC application before the well is completed.
