13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well was pulled in November and needs to be re-pulled. We are waiting for a rig to become available. There will be no production in December. Production should resume in January. Dugan Production Corp. requests a suspension of operations.
