It is intended to remove the packer and commingle the subject well in the Basin Dakota (Pool Code 71599) and Blanco Mesaverde (Pool Code 72319). The production will be commingled according to Oil Conservation Division Order Number 11363. Commingling will not reduce the value of production (our normal Allocation document will be submitted shortly). The Bureau of Land Management Office has been notified in writing of this application.

Notification of the intent to commingle the subject well was sent to all interest owners via certified mail on July 20, 2007. No objections were received.
