[illegible]

A vertical strip of 10 small, square images showing a progression of a plant growing from a seedling to a mature tree. The images are arranged in a single column, with each image showing a different stage of growth. The first image at the top shows a small seedling with two leaves. The subsequent images show the plant growing taller and developing more leaves. The final image at the bottom shows a mature tree with a thick trunk and a full canopy of leaves.

This image shows a vertical strip of a document page. It contains a narrow column of text on the left and a large, dark, irregular stain on the right side. The text is mostly illegible due to the narrowness of the strip and the presence of the stain.
