Dear Albert:

Regarding your letter dated October 9, 1998, requesting an extension of time to bring the well into compliance with rule 201.B.3 and 203. Rule 203 requires that a notice of intent to temporarily abandon a well, P&A or return a well to production be filed with the OCD for approval. You are hereby directed to initiate Temporary Abandonment activity before November 15, 1998. Please notify the Aztec OCD 24 hours before work is initiated.

Feel free to call me at 334-6178, ext 16, if I can be of any help.

Sincerely,

Charlie T. Perrin
