13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection )

Devon Energy Production Company, Inc. requests permission to isolate the Mesaverde in the subject well and recompleat to the Upper Pictured Cliffs. Should the Pictured Cliffs prove to be productive it will be separated from the existing Mesaverde by a packer and returned to production until a down hole commingle request has been approved by your office and production stabilizes.

The approximate start date is July 25, 2008, contingent on the approval from your office.
