13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

The gas sales meter will be located at the tie-in to Enterprise Field Services Trunk 10A and will be approximately 1155' to the northeast of the well. Attachment No. 1 presents the well and line as initially proposed and was reproduced from the Carson Trading Post topography map. All other production equipment will be located on the No. 91 well location.
