13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

We have drilled and completed the subject well in the Blanco Mesa Verde (72319) and plan to recomplete to the ~~Blanco~~ Pictured Cliffs (71269-2259). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the well is completed. Commingling will not reduce the value of the production. Bureau of Land Management has been notified in writing of this application.

Completed perforations are: MV 4441' - 5125'

Proposed perforations are: PC 2428' - 2623'

Notification of the intent to commingle the subject well was sent to all interest owners via certified mail on 2/23/09. No objections were received.
