13. Describe Proposed or Completed Operations

In response to the BLM's letter dated 3/17/09 from Steve Mason, this sundry is to answer the BLM's question as to when this well is scheduled to be completed. This well was spud in 2008 & due to wintering restrictions & being in an ACEC area along with rig scheduling conflicts, we were unable to complete the well in 2009. Plans now are to have this well completed before November 30, 2009.
