## 13. Describe Proposed or Completed Operations

In response to the BLMs letter dated 3/17/09 from Steve Mason, this sundry is to answer the BLM's question as to when this well is scheduled to be drilled & completed. This well had conductor pipe set 9/25/08 and due rig scheduling conflicts and then wildlife restrictions wasn't able to drill this well until after April 1. Plans are to have this well drilled and completed before November 1, 2009.
