13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

**Maralex Resources, Inc. respectfully requests a 2-year extension to September 17, 2011, per Federal Register Vol. 72, No. 44 Issued March 7, 2007. The original APD was approved on September 17, 2007. Maralex will spud one well in the general location by mid July of 2009, and would like to extend the requirement to spud this well until economic conditions are more favorable.**

**Current NMOCD rules and regulations must be met at time of drilling**
