OIL CONS. DIV.
DIST. 3

13. Describe Proposed or Completed Operations

Notified BLM (Troy Salyers) & OCD (Kelly Roberts & Steve Hayden) on 7/24/09 of request to sidetrack subject well. While under reaming production hole encountered excessive water and lost bottomhole assembly. Top of fish is 5050' and bottom of fish 5580' with 7" shoe @ 4581'. Request to sidetrack, set balance plug 500' above fish and drill out cmt and kick off with deviation tool and come back vertical 50' to 100' above the top of fish. Verbal approval received to continue with sidetrack on 7/24/09. Plans are to run wireline & determine actual TOF & then determine where window will be placed for sidetrack. BLM & OCD will be notified once more information is available. ✓

14. I hereby certify that the foregoing is true and correct.
