13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Operator requests approval to enlarge well pad to accommodate a tank, separator and gas compressor.

Original pad size was 105' x 150'. New pad will be 155' x 150'.

Plats are attached.
