Re: Accept Commingle Applications:

Dear Ms. Busch:

Reference is made to your application for down hole commingling of natural gas from the Basin Dakota and the Blanco Mesaverde intervals for the wells listed below. After reviewing your application, you are hereby authorized to commingle gas from the Dakota and Mesaverde formations.

Once stabilized production is established, please file your fixed allocation factors for the Dakota and the Mesaverde formations. The effective date will be the date down hole commingling actually occurs.
