Per my conversation with Steve Hayden on 12/9/03, a sundry is being submitted to notify the OCD that the surface owners have requested the subject well be moved to a new location. Since the well will be located in the same Qtr/Qtr, Sec./ Twnshp/ & Range as permitted, it was determined that a sundry would suffice for notification of the change.

The new footages for this well will be "Unit C, 660' FNL & 2105' FWL, Sec. 3, T29N, R6W". A new Plat with the correct footages is attached.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
