

Sect. 36, T30N, R17W

30-045-22447

Katherine #1

Herb.

NO 4-5-83

This is the well that
was drilled too close
to Harrison Jim's house.
It was P+Aed but no
marker was erected.

Abbott told me that he
destroyed all of his records
and someone from the
U.S.G.S. had told him
that these records (attached)
would be destroyed also.
This must be the only
file on this well.
