Dear Mr. Abbott:

A review is being made of wells previously drilled as to plugging and abandonment. Well No. 1 Katherine, NE~~1~~SE~~1~~ sec. 36, T. 30 N., R. 17 W., lease No. 14-20-603-2027 in San Juan County, New Mexico, shows no evidence of having a Notice of Intent nor a Subsequent Report of Abandonment received by this office.

At the time this well was drilled you were shown to be the Owner-Agent of Fast Enterprises. If these Sundries have previously been submitted, please furnish one copy of each for our use. If not, your cooperation in bringing our files up to date by furnishing these reports would be appreciated.

Sincerely yours,

John D. Keller
Acting Area Manager
