Burlington Resources Oil & Gas, LP wishes to extend the subject wells' APD. The surface location was moved in September 2008, and the sundry approved the move was approved in May 2009, so we mistakenly changed the expiration date in our systems to May 2011 when it should have been June 2010. Plans are to drill this well in March 2011.

*Approved extended until 6/25/12*
