13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This Sundry is in reference to your letter dated August 12, 2010: APD Rescind. This well was not drilled (APD expired 8/16/07); however, a wellsite location was constructed (see Sundry Notice dated October 24, 2007) when it was thought we were going to drill it. The site has been recontoured to its original topography in accordance with the BLM standards and guidelines.
