13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Operator intends to temporarily abandon this well. Temporary abandonment is request to allow time for the unit to be contracted to allow the sale of this lease to the Navajo Nation Oil and Gas Company. A cast iron bridge plug will be set at 5155' (top Gallup perforation 5205'). The casing will be loaded with water containing a corrosion inhibitor. Casing will be pressure tested per requirements. The tubing and rods will be returned to the well after testing is complete.
