13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

XTO Energy Inc. requests approval for Final Abandonment for this well. The Final Surface Inspection has been completed and approved by Craig Willems with BLM and Kim Espinosa with XTO Energy. XTO Energy Inc. has completed final reclamation as per Conditions of Approval on the above referenced location as of 5/24/2010, with the exception of the dog leg removal due to the fact it remains in active use.
