13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Elm Ridge Exploration Co LLC plans to commence drilling operations when the weather and road conditions clear in the spring of 2011. The above reference well and at least 5 others will be drilled. The estimated drilling time for each well will be about 13 days. This well has been drilled to 411'. We set 8 5/8" surface casing @ 406' in 2008.

14. I hereby certify that the foregoing is true and correct
