2<sup>ND</sup> Pit Closure Extension

Extension for three months to meet closure/cover requirements in Rule 19.15.17.13.A(6)

- COP did not meet the closure requirements specified in the referenced rule due to a deficiency in the system. Closure will be scheduled and initiated as soon as the Closure Plan is approved. (Revised Closure Date of 10/10/10) is requested to complete closure activities.
- Other than the revised closure date there will be no modifications to the design, operation and maintenance, or closure plans for this location.

COP realizes this does not relieve any of the requirements of Part 17.
