Emery C Arnold, Supervisor  
Oil Conservation Commission  
Box 697  
Aztec, N Mex

Dear Mr Arnold

Enclosed in quintuplicate is Form 101 covering Andro-  
Eidal #3 (Canoncito) Drought-Booth, in Section 4, Twp  
15N, R6W, McKinley County, N Mex.

We understand that Jay Mayhew discussed the method of  
completion described and that it has your verbal  
approval.

We are again asking for an unorthodox location, for  
the reasons stated in the letter to Sante Fe, copy  
of which is enclosed.

Blanket Bond has been filed and approved.

Survey plat showing the above location is enclosed in  
triplicate.

Your early approval will be appreciated.

Sincerely,

  
H E Shillander, for  
Andro Eidal Company

HS/s

PS - An unorthodox location (at a different point)  
was approved in Mr Macgy's letter of Feb 27, 1956  
This is a revision of that location.
