Dear Mr. Monzingo:

Enclosed herewith are your copies of Form C103, Affidavit, and Agreement letter received by my Attorney on March 6, 1967 which I have executed this date.

You will note that the original form and affidavit have been revised to recognize the agreement as now finalized. As soon as the New Mexico Oil Conservation Commission approves this as a water well, I shall mail required approval, and you will note I have requested payment of the \$2370.00 to be paid within 30 days thereafter.

I trust this will be satisfactory and that we can now close the transaction.

Very truly yours,

Buck Willcoxson
