Dear Mr. Arnold:

We interpret your letter of March 30, 1967, to Mr. George Hatch to mean that the well in question has been converted to a water well to the satisfaction of the New Mexico Oil Conservation Commission. Please confirm this in order that we may be in position to transmit to Mr. Willcoxson the consideration which we agreed to pay him in event the well has been converted to a water well to the Commission's satisfaction.

Thank you in advance for your courtesy and attention to this matter.

Very truly yours,
