Dear Emery:

Ewing Walker forwarded to us the notice you sent him regarding the Santa Fe No. 5 location in Section 5, Township 17 North, Range 8 West, McKinley County, New Mexico.

This was a location proposed by Walker Bros. but was never drilled. For purposes of your record I would recommend that you consider it an abandoned location.

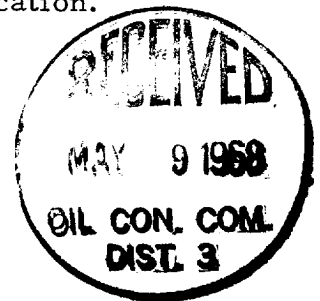

We are considering drilling a well to the Dakota in Section 5 later this year but it will probably not be at this exact location.

Best personal regards.

Yours very truly,

*Harold*
