Dear Dick,

We have received form C-104 requesting allowable for your Santa Fe R.R. "A" #82, P 1-17-9, South Hospah Upper Sand Pool. This well is located on the same unit with the Santa Fe RR. #77. The #77 well has been operating on a 40 Acre Acreage Dedication as Administrative Order approving the additional 12 Acres on the East side of the 40 Acres was not requested. The Plat you have submitted for the #82 well shows an Acreage Dedication of 52 Acres. I am reducing this acreage to the standard 40 Acres until such time as you have requested Administrative Order approving the non-standard unit in the South Hospah Upper Sand Pool. This unit was previously approved for the South Hospah Lower Sand Pool.

If you have any questions concerning this matter please contact this office.

Yours very truly,
