Deputy Oil & Gas Inspector
Aztec District Office

The surface location of Well # 27
340' FNL 1365' FEL of section 28 20N 3W as described
on the drilling permit was approved on Dec 21, 1981
It was necessary to move the surface location by a few
feet from the standard location because of the proximity
of the lease road. It should be noted that there are no
other operations within a mile radius

Sincerely
D. Zenatti
