Re: Black #1 H-32-16N-6W

Gentlemen:

We have reviewed our records and can find no approved Permit to Drill, form C-101, for the referenced well which you have drilled.

Drilling a well without an approved permit is a very serious violation of our regulations and makes you subject to possible fines. You are directed to immediately file form C-101 with attachments.

If you have any questions, please contact this office.

Yours truly,
